4. who speak English
5. from the programme countries of the YOUTH Programme (25 EU Member States, EFTA-countries as well as Bulgaria, Rumania and Turkey) as well as from Member States of the Council of Europe
6. if possible, have already participated in the conference "Youth for Tolerance and Democracy" in 2001

Criteria in terms of experience:

7. who are interested in exchange with active young people on the subject of anti-discrimination/anti-racism work;
8. who are professionally involved, that is
 - o who are interested in establishing networks for the different national, regional and local approaches of the youth welfare services and youth work in the field of anti-discrimination/anti-racism work and developing them further at European level, or
 - o who are interested in the development of a declaration and an action plan of young people against racism/discrimination, or
 - o who are interested in presenting their projects/working approaches/education concepts, if related to the conference subject, during the conference (market of possibilities), or
 - o whose projects in the field of anti-discrimination/anti-racism work were carried out and promoted in the framework of the European Youth programme and
9. who are prepared to contribute to the implementation of the action plan after the conference in their own countries.

General Criteria

The participants shall be chosen so that there is a balance among

- o men and women
- o experts on youth welfare services, experts of anti-discrimination/anti-racism work and political decision-makers
- o young people who have a special interest in
 - the development of a political declaration
 - an exchange of experience and networking
 - and the ability to contribute to the implementation of the action plan after the conference in their own countries.

We will pay special attention to the participation of minorities.

The participation of young people will have preference over that of experts.
